As indicated by our motto: “inspired in Italy made in Canada”, our wine list pays homage to our Italian and Canadian heritage and style of cuisine. We feel it is important to honour all who contribute to the world of wine. The best way to honour those individuals who produce wine is to proudly represent their countries, their regions, their varietals and their wine. As wine aficionados, we continue to price our wines at no more than \$25 above its value.

Paese is proud to have been awarded the Best of Award of Excellence from Wine Spectator Magazine for our Restaurant's Wine List, featuring over 500 different wines. Our speciality listings have been sommelier selected to provide you with the ultimate wine environment. As many are rare or of limited availability, some selections may no longer be available.
